STUDY PLAN

Terms and instructions to fill in the study plan

Study plan: tips and info (22nd November meeting)

Each student must fill in the **Study Plan**, i.e a document showing the list of educational activities which the student intends to pursue (mandatory and optional ones) to reach the 180 ECTS credits needed to obtain a bachelor degree or the 120 credits needed to obtain a master degree.

Every year, study plans can be filled in from October till July. Students can make amendments to their study plan (even several times). The Study Plan must be filled in before registering for the exams.

Once the degree application has been submitted on Uniweb, the study plan can NOT be modified.

Further details on the Study Plan are available on the following [guide](#).

Deadline for a.y. 2023/2024

FREE CREDITS

Department of Linguistic and Literary Studies (DiSLL)

12 credits (crediti liberi = free-choice credits)

- You can choose courses that you haven't chosen in the previous options or you can choose to attend classes of any other **first cycle degree Course** here at Unipd.

When filling in the Study Plan «free-choice credits» can be added through two different rules:

Rule a) adding courses offered within your Degree course;

Rule b) adding courses offered within other Degree courses;

A LITTLE TIP FOR YOU:

Choose your free credits exams following your interests and the field you want to deepen in your final thesis.

LABS – 21 CFU = 7 labs

The available labs may change each year, this a.y. you can attend:

- Universities and the spread of secular learning (prof. Petrina)
- Renaissance music and polyphonic practice (prof. Mazzetti)
- The early modern court: pageants, music, art and theatre (prof. Zucchi)
- La tipografia e i primi testi a stampa (prof. Liguori)
- Fonti e prassi documentarie (prof. De Angelis) from this year the lab is held in Italian

Modify study plan

Print study plan

In the compilation of your STUDY PLAN you will find different “rules”. Using the ANNEX 2 and the Didattica webpage you will be able to organise your study plan as you prefer.

More helpful information:

The courses that you can take can be offered in the first or in the second semester. You have to check (in the Didattica page we have seen earlier) if the classes that you are interested in are offered in the first or in the second semester and organise your study plan according to the semesters in which classes are offered.

In order to sign up for an exam you have to insert the activity in your Study plan!

We suggest to fill the Study Plan before the beginning of the SESSIONE AUTUNNALE (the period of exams in January/February), doing so you will be able to sign up for your exams without problems.

Final thesis (9 CFU)

In order to finish your BA you must work on your final project and write a paper on a specific topic.

You can contact one of your lecturers and start working on a topic you are interested in.

It would be good to choose a thesis project that is coherent with your interests and that focuses on the areas in which you would like your studies in the future.
