

WHEN

twice a year,
prior to
departure

1ST SEMESTER ARRIVALS:

JUL - SEP

2ND SEMESTER ARRIVALS:

NOV - FEB

PLATFORMS AND ACTIVITIES

Students will communicate in different ways:

- communication many-to-many
(multiple languages)

- communication few-to-few
(collaborative activities)

LANGUAGE BUBBLES

To boost multilingualism, other than **English**, several other languages will be used within language bubbles, pushing intercomprehension towards seemingly related languages such as romance, germanic or slavic languages.

WHAT WILL STUDENTS GAIN?

Students who will be punctual in meeting the following requirements****, will be given a **badge**, a **certificate of participation** and even a **certificate of award** if they will distinguish themselves in terms of commitment as well as of active participation.

****REQUIREMENTS:

- hand in at least 1 diary of language and culture
- contribute to at least 6 discussions on the ecommunity platform
- write a final essay on the overall exchange
- participate to at least 4 synchronous online sessions (out of 9)
- participate to at least 3 collaborative activities (creation of infographics)
- fill in online several questionnaires: pre and post exchange soft skills self-assessment questionnaires overall evaluation of the project questionnaire
