**PORTE
PERTE**

Folk music and dancing with the ensemble “Porte ‘Perte”

This special musical event will offer a moment of relaxation and the opportunity for Italian and international students at DiSLL to meet and get to know each other. The members of Porte ‘Perte are of all ages, ranging from conservatory-trained performers to self-taught street artists, and they play various kinds of folk music from mazurkas to Balkan and circle dances.

You can either listen or take part in the group dancing!
