

INSPIRING GLOBAL CHANGE SINCE 1222

SCHOOL OF HUMAN AND SOCIAL SCIENCES AND CULTURAL HERITAGE

COMMUNICATION STRATEGIES

This Master's degree offers an advanced study programme focusing on cross-disciplinary methods for designing communication projects and strategies. The programme aims to provide students with the theoretical and practical knowledge necessary for the analysis of communication in different fields, such as multimedia and technology, business and marketing, sociology and communication practices. The programme offers an important chance to receive a high-quality education that responds to the rapid transformations and significant challenges of today's world of communication.
