Erasmus ID code	B NAMUR 01
About the city of NAMUR	<p>Namur is the capital city of the French-speaking Walloon Region in the southern part of Belgium, located about 45 minutes from Brussels, at the gateway to the Ardennes. It is a medieval town where the rivers Meuse and Sambre flow together and which is dominated by a splendid Citadel designed by the 17th-century architect Vauban, (who also built an Arsenal which is now the University's student restaurant).
