Student application deadlines and guidelines

Once you have been nominated by your University to benefit from this opportunity at UM and the final confirmation for the Erasmus+ student mobility is issued, you need to complete the application process.

Student application deadlines

Submit the application document to UM by email by:

- 1 July for semester 1 and full academic year mobility periods
- 1 December for semester 2 mobility periods

To complete application process provide the following documents:

1. Online Enrolment Form

Following nominations, students will be invited to fill in the online enrolment form. The link will be sent by email by the International Office.

2. Health Form

Download the Health Form. Students reading for Pharmacy are to follow the instructions and download the Health Form at <https://www.um.edu.mt/ms/pharmacy/studentmobility> Whilst, students reading for Health Sciences need to follow specialised health screening protocol which is outlined in the following Health Form.

3. Copy of European Health Insurance Card (EHIC) and health insurance

Students must be in possession of a valid European Health Insurance Card, which will provide basic coverage for the first 90 days. Health insurance is not organised by UM, therefore arrangements must be made by the students to ensure full health insurance coverage during their mobility.

4. Copy of the travel insurance

Students must have a travel insurance policy which is valid for their stay in Malta, covering the entire duration of the mobility. Travel insurance must cover 'specific medical intervention and repatriation'.

Students must have additional cover other than their travel insurance policy to provide cover for 'work place accident insurance' and 'liability insurance coverage' for any damages caused by the participant during the Erasmus+ traineeship at the host institution.

5. Online Linguistic Support (OLS) certificate

Students are required to complete the OLS test and provide a copy of the certificate provided at the end of the test. The language of tuition at the UM is English and therefore students are expected to have adequate levels of English Proficiency to be able to follow lectures and draw up assignments in English. Students are required to have a B2 level as per Common European Framework of Reference for Languages (CEFR).

Students following courses delivered by the Department of English will require a C1 level.

Students are to obtain the login information for the OLS test from their home coordinators. Students who are native English speakers are not required to submit the OLS certificate.

6. Erasmus+ Learning Agreement

Prior to arrival at UM, students must compile an Erasmus+ Learning Agreement in order to provisionally select credits (courses) which they will be following during the Erasmus+ mobility in Malta.

The Learning Agreement is to be signed by the student, by the Erasmus coordinator at the sending institution and by the Erasmus academic coordinator at UM.

7. Police Certificate of Conduct

Students registered with the **Faculty of Health Science** and **Faculty of Education** are requested to present this certificate issued by their local authorities. This request is in line

with Regulation 81 (2.) of the General Regulations for University Undergraduate Awards. 2004. The certificate should be recent (issued within the last one month), and submitted with the enrolment documents. Students are required to submit an updated Police Certificate of Conduct if there are any changes during their Erasmus+ mobility in Malta.

Scan and send the documents by email.

Once all the necessary documents are received, an Erasmus+ acceptance letter will be issued. Acceptance letters will only be issued once all the necessary documents outlined above are submitted to the International Office. In the case of special course requirements students must submit additional documents for the process to be completed.

Non-EU students are to follow the Visa requirements for their entry in Malta and e-Residence Permit instructions.
