COURSES SELECTION

ECTS	<p>There is a maximum number of ECTS credits that can be selected depending on the duration of stay at UE Valencia:</p> <p style="text-align: center;">1 Semester: 30 ECTS 2 Semesters: 60 ECTS</p> <p>One subject usually represents 6 ECTS, meaning students can choose 5 subjects per semester. We will ask student to also choose two additional classes in case there is no place left in their first choice.</p>
Language classes	<p>UEV offers online English and Spanish classes (level A1, A2, B1 and B2). Registration for those classes are made during the first weeks of the stay via the webpage of the university.</p>
English classes	<p style="text-align: center;">UEV offers 5 degrees taught in English:</p> <p style="text-align: center;">Business International Relations Dentistry Translation Tourism management</p> <p>Due to the high demand on those programs, we cannot guarantee seats in those English classes and students may have no other option than following the Spanish equivalent. That is why a B2 in Spanish is highly recommended.</p>
Internships	<p>The Career Department in UEV publishes internships offers in our internal platform. Exchange students have access to this platform and can apply for internships like any other UEV student. The university can manage the internship agreement.</p> <p>Except for Nursing and Physiotherapy internships provided in one of our partner clinics, for other areas the student is responsible to find, choose and get employed by a company.</p>

TRAVEL ACCOMODATION

Visa Requirements	<p>Compulsory for non-EU students, please check your student's visa requirements at the Spanish Embassy or Consulate in your home Country.</p>
Health Insurance	<p>Students are responsible for obtaining International health insurance valid throughout their stay in Spain/Europe.
