

International Development  
Innovation Network

A large group of approximately 50 people of diverse backgrounds are sitting on a green lawn. Many of them have their hands raised in the air, suggesting a group photo or a celebratory gathering. The people are dressed in casual attire, and the overall atmosphere is positive and energetic. The text 'International Development Innovation Network' is overlaid in large white font at the bottom of the image.

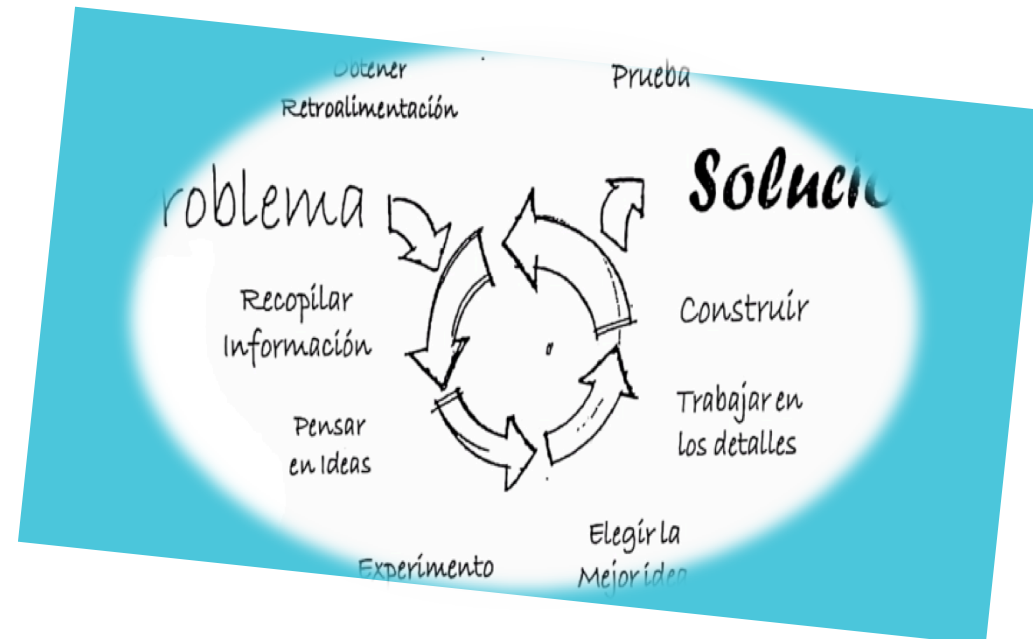

# International Development Innovation Network

# What is

# ?

IDIN is a network. It enables a global community of changemakers to design, develop and disseminate innovations that improve the lives of people living in poverty.

Week hands-on  
design experience

Multicultural

Co-creation with  
communities

# International Development Design Summits

Interdisciplinary

Innovation

Prototype

A life-changing experience!

**IDDS**

ZERO WASTE

Colombia, 2015

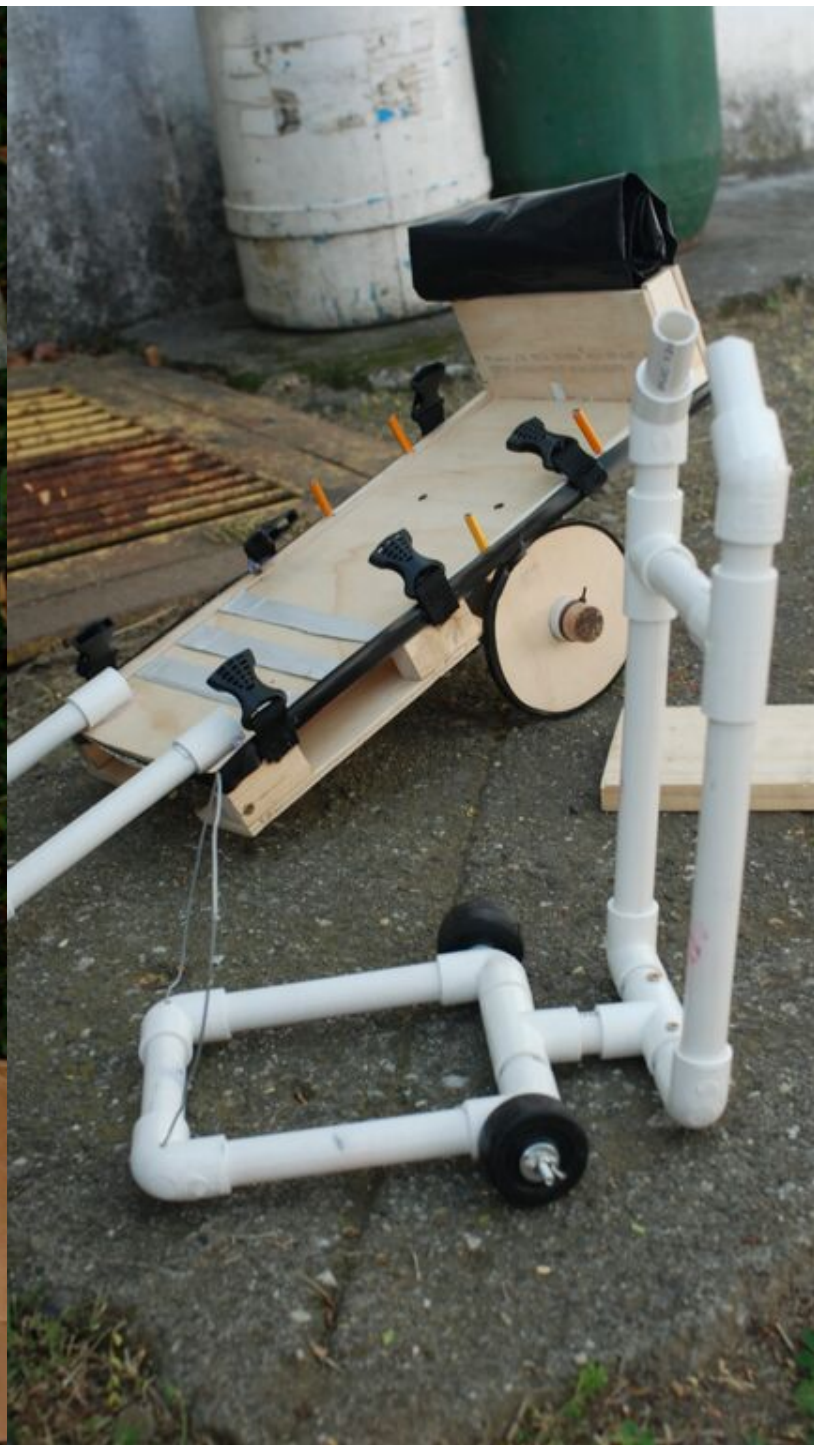

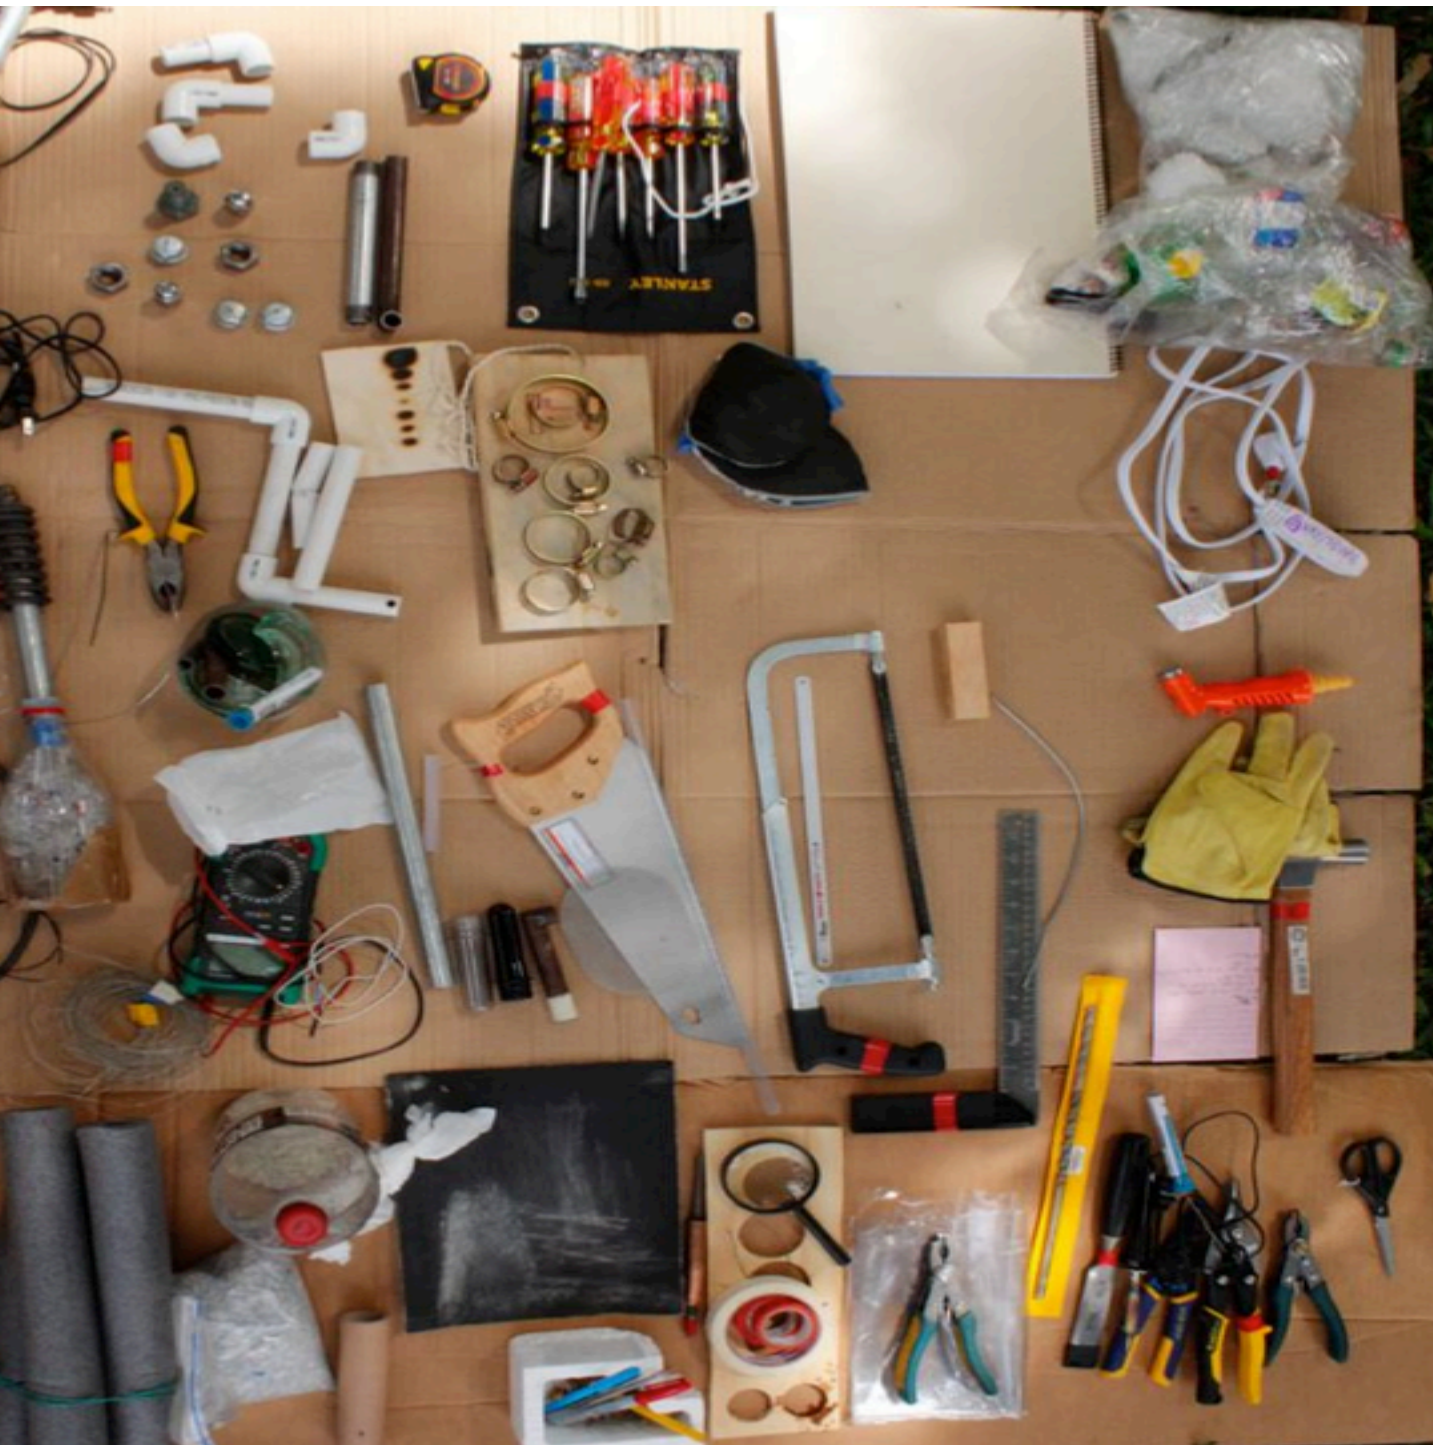

**educación**

BOGOTÁ 2016

# Prototypes

Plastic extruder

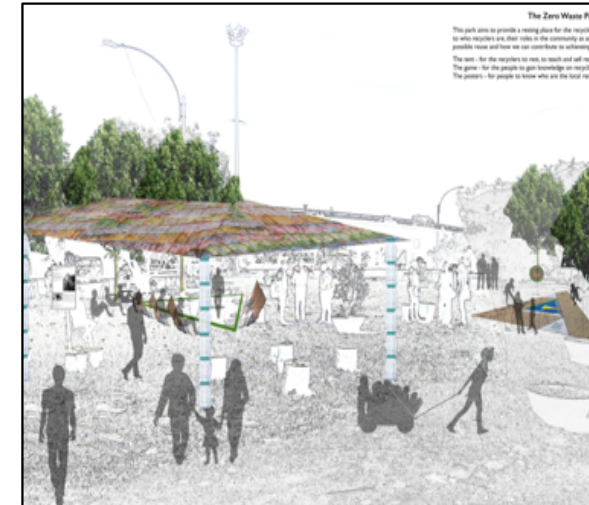

Construction debris reuse

Transport for wastepickers

Plastic machine for recycling

(Bicycle) machine for compost production

Public furniture for zero waste park

ore prototypes

And more

and more ...

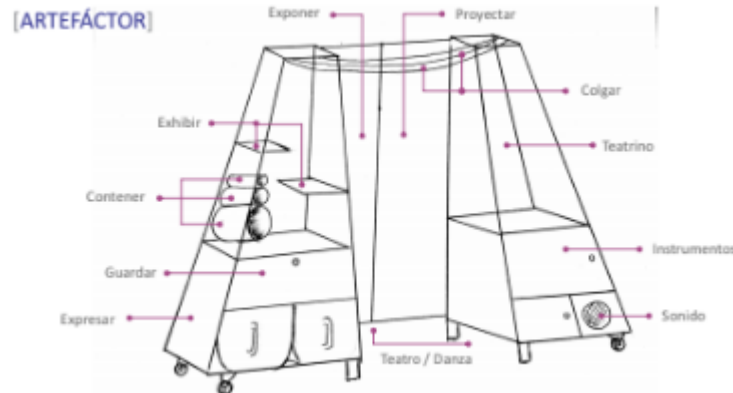

Vertical garden for science learning (with arduino)

Tools for STEAM learn

Reading comprehension tools

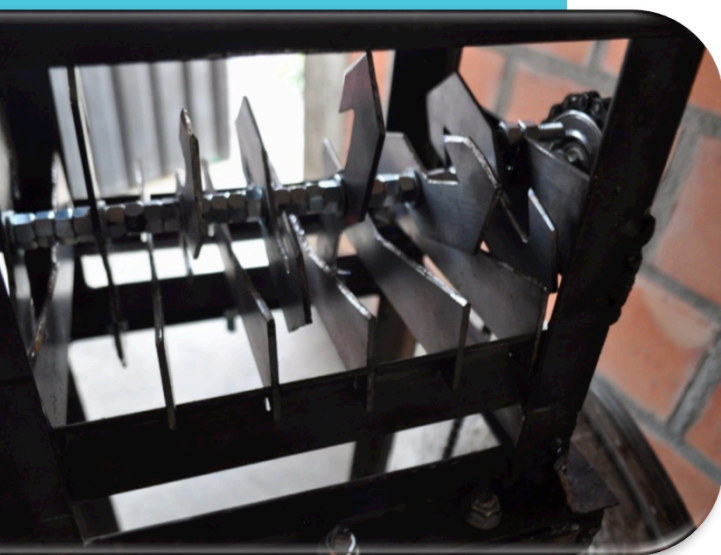

Mobile work space for arts
