

DEPARTMENT OF CHEMICAL SCIENCES

18-22 JULY 2022 | FIRST EDITION

CIRCULAR ECONOMY SUMMER SCHOOL

Master's degree in Sustainable Chemistry and
Technologies for Circular Economy

With the patronage of

UNIVERSITÀ
DEGLI STUDI
DI PADOVA

With the financial support of

European
Recycling
Platform

A Landbell Group Company

Overview

The main objective of the Summer School is to provide participants with a number of technical and soft skills which are increasingly valued by employers today whilst presenting and discussing topics related to circular economy. Additionally, technical skills relating to the master's degree will also be integrated into the programme.

Lecturers

- **Marco Bettiol** - Associate Professor of Business Management | Department of Economics and Management - University of Padua
- **Maurizio Bianchini** - Associate Professor of Business Law | Department of Private Law and Critique of Law - University of Padua
- **Federica Capuzzo** - Senior manager | Deloitte & Touche S.p.A.
- **Elisabetta Mutto Accordi** - Communication consultant and freelance journalist
- **Davide Pettenella** - Full professor of Forest Economics and Policy | Department of Land, Environment, Agriculture and Forestry - University of Padua
- **Ilaria Piccoli** - Researcher | Department of Agronomy, Food, Natural Resources, Animals and the Environment - University of Padua

Program

The Summer School's programme comprises the following three courses*:

1. **Legal and business communication aspects of Corporate Social Responsibility (CSR): a multidisciplinary approach for Circular Economy** (3 modules - 26 hours):
 - a. Effective communication on Circular Economy
 - b. Legal aspects of CSR in the Sustainability Landscape
 - c. Digital Marketing and Communication for the Circular Economy
2. **Forest and Agricultural derived biomasses for circular economy** (2 modules - 8 hours)
3. **The Sustainability reporting process** (1 module - 6 hours)

*Please note that courses will be offered in person Monday to Friday, from 9 am to 5.30 pm.

For a more detailed programme of the Summer School, please visit the School's homepage at www.chimica.unipd.it/circular-economy/summer-school.

Enrollment requirements

Summer schools are open to:

- all students enrolled in the master's degree programme in *Sustainable Chemistry and Technologies for Circular Economy* of UniPD
- a selection of students regularly enrolled in master's degree programmes of UniPD
- companies' employees

Fees

The following Summer School fees* apply:

- free for UniPD students enrolled in one of the above-mentioned degree programmes
- € 640,00 for companies' employees
- € 540,00 for enrolled (*iscritti*) members of the Associazione Alumni dell'Università di Padova
- € 440,00 for members (*soci*) of *Associazione Alumni dell'Università di Padova* and *Associazione Amici dell'Università di Padova*, including *UniSMART - Fondazione Università di Padova* partners

*Fees include classes, teaching materials, two coffee breaks/day, aperitivo get-together.

Certificate of attendance

An official certificate of attendance will be issued to all attendees upon completion of all courses.

Certified credit courses

Students of the University of Padua will be awarded 5 ECTS (*crediti sovrannumerari*).

Technical-scientific Committee

Prof. F. Bassi - Dept. of Statistical Sciences

Prof. F. Bonollo - Dept. of Management and Engineering

Prof. B. Cortese - Dept. of Public, International and European Union Law

Prof. M. Dabalà - Dept. of Industrial Engineering

Prof. P. Danese - Dept. of Management and Engineering

Prof. E. Di Maria - Dept. of Economics and Management "Marco Fanno"

Prof. S. Gross - Dept. of Chemical Sciences (Chair)

Prof. M. C. Lavagnolo - Dept. of Civil, Environmental and Architectural Engineering

Prof. T. Morosinotto - Dept. of Biology

Prof. A. Polimeno - Dept. of Chemical Sciences

Prof. E. Rubaltelli - Dept. of Department of Developmental Psychology and Socialization

Prof. G. Salviulo - Dept. of Geosciences

Prof. M. Sambì - Dept. of Chemical Sciences

Prof. P. Sambo - Dept. of Agronomy, Food, Natural resources, Animals and Environment

Prof. P. Valbonesi - Dept. of Economics and Management "Marco Fanno"

Prof. M. Zanetti - Dept. of Land, Environment, Agriculture and Forestry

Organising Committee

Giulia Bragaglia - Dept. of Chemical Sciences

Riccardo De Marco - Dept. of Chemical Sciences

Chiara Mazzariol - Dept. of Chemical Sciences

Stefano Zampieri - Dept. of Chemical Sciences (Chair)

Lucia Zanetti - Dept. of Chemical Sciences

Location

Courses will be held in Aula I of the Department of Chemical Sciences of the University of Padua, via Marzolo 1, 35131 (PD).

The Department's premises are located in Via F. Marzolo 1 - 35131 Padua. The location is easily accessible by public transport or car, and within walking distance of the train and bus stations. Paid parking is available at Park Padova Centro (Interparking Italia S.r.l.) and Park Tommaseo.
