Comments:

The educational offer of the PhD Program in Philosophy is much broader than what is required of PhD students for the fulfillment of their educational obligations. The sheet shows the three-year educational offer and the Minimum Requirements of the three-year individual educational plan for those enrolled in cycle XXXVII.

Starting from 2019/2020 (cycle XXXV) the Course has introduced on an experimental basis the educational credits for a total of 48 CFU in the three-year period divided between *ad hoc teachings planned in the educational plan* and *Cross-cutting teaching activities and soft skills*.
