<b>UK Visa checker</b>	<a href="https://www.gov.uk/check-uk-visa">https://www.gov.uk/check-uk-visa</a>
<b>Students coming to St Andrews for a full academic year</b>	<p>Students intending to study for a full academic year must obtain a <b>Student Visa</b>. Once an entrant has accepted their offer to study at St Andrews, we will ask them to upload their passport information and a copy of their passport, and subsequently to check the accuracy of the information. St Andrews will then issue the entrant with a Confirmation of Acceptance for Studies (CAS), which is used to apply for a Student Visa.</p> <p>Entrants will be given a temporary visa in their passports called a vignette, which is usually valid for 30 days from the start date of their course (in response to the pandemic the vignette is currently valid for 90 days) and allows travel into the UK. Leave will start one month before the course start date stated on the CAS. Entrants must then collect their Biometric Residence Permit (BRP) on arrival in the UK. At St Andrews, students will be able to collect their card as part of their matriculation process, provided they quote the University's unique Alternative Collection Location code (<b>2HE357</b>) on their visa application (guidance is provided to students as part of the CAS process).</p> <p>Please refer to the following webpage for up-to-date information about BRP cards: <a href="https://www.st-andrews.ac.uk/orientation/orientation-essentials/biometric-residence-permits/">https://www.st-andrews.ac.uk/orientation/orientation-essentials/biometric-residence-permits/</a></p>
<b>Students coming to St Andrews for one semester only</b>	<p>Please use the UK Visa checker link (<a href="https://www.gov.uk/check-uk-visa">https://www.gov.uk/check-uk-visa</a>) to determine which students will need to apply for a <b>Standard Visitor visa</b> prior to entering the UK.</p>

<ul style="list-style-type: none"> <li>• <b>Non-visa national</b></li> </ul>	Students from certain countries may be able to apply for a Standard Visitor visa at immigration control once they arrive in the UK. St Andrews will issue a letter which entrants should bring with them on arrival into a UK airport.
<ul style="list-style-type: none"> <li>• <b>Visa national</b></li> </ul>	Entrants should apply for a Standard Visitor before entering the UK.

## IMMIGRATION HEALTHCARE SURCHARGE

<b>Student visa students</b>	The Surcharge affects all Student visa students. It is collected by the Home Office at the point of visa application and goes directly to the National Health Service (NHS). Payment of the Surcharge gives migrants access to the NHS on the same terms as permanent UK residents. <a href="https://www.st-andrews.ac.uk/study/support/international-students/moving-to-uk/information-student-visa/healthcare-surcharge/">https://www.st-andrews.ac.uk/study/support/international-students/moving-to-uk/information-student-visa/healthcare-surcharge/</a>
<b>Short-Term Study Visa students</b>	Standard Visitor visa students will <b>not</b> be liable for the Surcharge but will be charged for some NHS medical treatments they receive and so they should ensure that they obtain medical insurance before travelling to the UK. Accident and Emergency care remains free of charge.

## ENGLISH LANGUAGE COURSES

The University offers pre-sessional courses, in-sessional support and modules for students whose first language is not English: <https://www.st-andrews.ac.uk/study-abroad/at-st-andrews/studies/what-will-i-study/english-language-support/>

## ACADEMIC INFORMATION

<b>Course catalogue &amp; information</b>	<a href="https://www.st-andrews.ac.uk/study-abroad/at-st-andrews/studies/">https://www.st-andrews.ac.uk/study-abroad/at-st-andrews/studies/</a>  The catalogue has information about all available modules, including a brief description of content, credits, level, semester availability, contact hours and independent study hours, and assessment. Please get in touch with us if you would like further information on any of our modules to help your students prepare.
<b>Course load</b>	A standard full-time course load is 60 credits (30 ECTS credits) per semester, though students may be approved for 50 to 70 credits (25-35 ECTS credits) per semester on an individual basis.
<b>Modules</b>	Most modules are 10, 15, 20 or 30 credits, so students might take fewer classes than at home (e.g., two 30 credit modules), but each module has a high workload. One credit represents 10 notional hours of learner effort.  Modules at first and second level (1000 and 2000) are known as 'sub-Honours', while modules at third and fourth level, and in some subjects, fifth level, (3000, 4000, and some 5000) are known as 'Honours'. Please note that Honours modules (and some 1000 and 2000 modules) require significant background knowledge.  Students attending St Andrews through a subject-specific exchange are expected to take at least one module per semester in the subject of the exchange.
<b>Enrolment &amp; academic advising</b>	Students will be asked to complete pre-advising online, but module enrolments will only be finalised during Academic Advising, when students will have the opportunity to discuss their programme with an Adviser.

## ACCOMMODATION FOR EXCHANGE AND STUDY ABROAD STUDENTS
